OVERHEAD DOOR®

Standard features and benefits

DC power
DC motor operates with variable speeds for soft start and stop; providing smooth, quiet operation and less wear and tear on your garage door.

Integrated OHD Anywhere®
Remotely monitor and operate your garage door from almost any smart device. 20 users can be added with one system. (Models 7120H / 7120H-B).

CodeDodger® access security system
Selects a code from billions of combinations each time a remote or wireless keypad are used. Prevents piracy of the radio signal for the utmost in security.

Easy programming
Quick, effortless limit setting for faster installation.

Auto seek dual frequency range
The opener listens for both the 315 or 390 MHz frequency emitted by the remote or wireless keypad, allowing reliable operation even in areas with frequency interference.

Self-diagnostic Safe-T-Beam® System
When objects pass through the infrared beam, the door automatically stops closing and then reverses.

C-channel rail
Operator rail designed for strength; conceals rotating belt or chain for safety and better aesthetics.

Lighting system
Light bulbs are positioned to each side of the powerhead for light where it's needed most. Overhead Door™ LED bulb recommended. 60 Watt max if incandescent bulbs used.

6' power cord
For high ceiling applications.

Compatible with both HomeLink® and Car2U® systems – works with current and all previous versions. No additional external repeater kit or compatibility bridge needed.

Convenience options

Garage door opener LED bulb
Designed specifically for garage door openers. Reduces remote interference. Bright, long lasting LED technology. Vibration and shatter resistant.

39492R

2-button LED flashlight remote
This remote features a powerful LED flashlight and operates up to two Overhead Door® CodeDodger® openers.

39647R

Digital wireless keypad
Lighted keypad features a flip up cover and lets you control up to three garage door openers.

| White 37227R | Gray 37227S | Tan 37227T | Almond 37227U |

37225R

Battery backup
Provides reliable garage door operation when there is a power outage. (Models 7020H-B / 7120H-B).
